

**COMMUNITY ARTIST PROGRAM
(CAP)
2016-17 PROGRAM GUIDELINES**

General Information

Introduction

The City of Dallas Office of Cultural Affairs (OCA) has established a cultural system that ensures that all Dallas citizens and visitors have an opportunity to experience the finest in arts and culture. One of the City's primary roles within this system is to contract for cultural services through partnerships with non-profit cultural organizations to leverage private support for an array of cultural programs.

This document contains guidelines, deadlines and information for the CAP program managed by the Office of Cultural Affairs (OCA).

Community Arts Program (CAP)

The Community Arts Program provides funding to ethnic and culturally specific individual artists and cultural organizations to teach, perform, and exhibit at host facilities in neighborhoods around the City of Dallas. CAP cultivates collaborations between artists and communities. (This program was formerly known as the Neighborhood Touring Program.)

**Community Arts Program (CAP)
FY2017 Guidelines**

Program Goals

1. To provide support and opportunities for culturally and/or ethnic specific arts programs for artists and organizations to teach, perform, and exhibit at host facilities in neighborhoods around the City of Dallas.
2. To create opportunities for artists to participate in neighborhood events such as festivals and celebrations throughout Dallas which showcase and celebrate the community's unique history and varied ethnic heritage.
3. To expose Dallas residents to art forms or traditions with which they may not be familiar and heighten citizen understanding of the unique contributions of the City's various cultures to the arts community in Dallas.
4. To provide opportunities for Dallas neighborhood organizations to have greater access to the arts and cultural expression.
5. To promote collaborations between the arts and community entities, such as business, government, and the non-profit sector, for the purpose of community development

Eligibility

This program is open to individual culturally and/or ethnic specific artists who are residents of the City of Dallas or culturally and/or ethnic specific arts organizations with administrative offices that are permanently located in the City of Dallas. Organizations must be incorporated as private 501(c) (3) non-profit. This does not apply to individual artists. Artists and cultural organizations performing and presenting in the areas of music, dance, theatre, literature, visual arts, film/video, literary arts, and folk artists are all eligible to apply.

A culturally and/or ethnic specific organization is defined as an organization whose membership is primarily composed of one or more ethnic populations which are identified as non-majority by the U.S. Census Bureau, and whose primary purpose is the preservation, production, or presentation of art forms and cultural activities indigenous to such cultures.

Organizations contracting with the City through other funding programs may also provide services through the Community Arts Program as long as the combined total of all the City cultural services contract awards does not exceed 50% (25% to CAP and 25% to CPP/COP) of the contracted organization's annual operating expenses during a given fiscal year.

Proposals will not be accepted for the following:

1. Activities which do not have a cultural or artistic focus or whose primary focus is religious or political.
2. Individual artists who are not residents of Dallas or culturally and/or ethnic specific organizations that do not have administrative offices located in the City of Dallas.
3. Youth applicants or organizations that involve youth who are in school and have not completed the 12th grade.

Program Types

There are 3 different types of programs that can be applied for:

- One time performance or one time workshop
- Workshop Series (2 - 4 day series)
- Residency (2 – 8 weeks)

Performance – A proposed performance will introduce an audience to a cultural art form or tradition. Performances average 50 minutes in length plus set up and break down times.

Workshops - A one day workshop is a hands-on opportunity to introduce the audience/participants to a cultural art form or tradition. A workshop series allows the participants to explore the topic in greater detail and includes a culminating activity. A workshop series can be 2 day or 4 day sessions. Each workshop session is generally two hours.

Residency – Residencies are tailored to the needs of a specific neighborhood, community, or host site(s). Residency programs are implemented by artists with a history of engagement with the community and a commitment to utilize arts education for community development. The goal of the residency program is to provide opportunity for artists and community to collaborate on arts projects that develop positive and sustainable neighborhood outcomes. Residency services are a minimum of 3-4 hours per week for a minimum of 2 weeks and a maximum of 8 weeks.

Support Materials are required with the online application (such as online samples of work, videos, photos of work, you tube clips, critical reviews etc). Only one application will be accepted per applicant. **Individual Artists will be required to upload a resume or Vita.** At the end of the application you will find where to upload this information.

Application Review Process

A review panel will score proposals and will recommend the highest scoring applicants to be included on the Community Arts Program Roster. Over the course of the fiscal year, the Office of Cultural Affairs staff will then recommend allocations and contract for services based on the following:

1. The total funds available for the CAP program.
2. The need to provide a balance among arts disciplines represented in the program.
3. The capacity of the proposed service to meet CAP program goals.
4. The needs of underserved communities and other host organizations.
5. Requests by and/or needs of the community in Dallas.

The Allocations Committee of the Cultural Affairs Commission will review and recommend approval of applications; and all applicants will be notified of the final decision by August 30, 2016.

Proposal Review Criteria

Following an initial review by the Office of Cultural Affairs staff all eligible applications will be evaluated by a review panel according to the criteria below:

Potential of Applicant to Successfully Provide Service (10) - is the service well planned and appropriate for the targeted audiences?

Identification of Community Hosts

The Office of Cultural Affairs staff will assign participating artists/organizations to services in the community on a request and need basis. Community hosts may include churches, community organizations, recreation centers, social service agencies, and other non-profit groups. Emphasis will be placed on underserved or un-served communities that have not had prior exposure to the art form. An attempt will be made to spread program services throughout all areas of the City. **All funded activities must occur within the Dallas City limits. The community host will provide a facility/space at no charge to the participating audience or neighborhood participants. The host is expected to market the service and appropriately publicize the event.**

Artist/Community Host Agreement

After a service has been confirmed with a host, the organization/artists must submit a signed contract to the Office of Cultural Affairs at least *two weeks* prior to the commencement of each service. Services through the program must be completed by September 30, 2017.

Payment

The artist/organization will submit a signed invoice to the City upon completion of each contracted service. Payment will generally be mailed within 20 business days from receipt of the invoice. In the case of long-term artist's residencies, invoices may be submitted on previously agreed upon dates during the residency. Invoices submitted prior to the date of service will not be accepted.

Artist Evaluation/Final Form

CAP artists are responsible for submitting an Artist Evaluation/Final Form for each service provided. Completed forms will be sent directly to the Office of Cultural Affairs prior to payment being issued.

Panel Review

Applications for the cultural services programs are evaluated by a Review Panel. In addition to application forms, applicants must provide requested support materials for the Review Panel. Failure to provide appropriate materials for the panel will result in a reduction of evaluation points, up to and including automatic withdrawal of application. The Review Panel will evaluate the artist/organization based on the online application and support materials.

Credit Line

Host organizations awarded CAP programming should include the following credit line and logo in publications, programs, press releases, season brochures, lobby displays, advertising and public communication:

Office of Cultural Affairs
CITY OF DALLAS

“(Name of CAP program) is supported in part by the City of Dallas Office of Cultural Affairs.”
