Dear Deborah,

I want to let you know what a pleasure it has been to live in your building. I miss your smiling face every morning and evening. Such is the real world, I guess! The job is going well, but I miss Nashville. I hope your summer is going well and you get to enjoy some of it. When I come back to visit this fall, I'll stop by and say hi. You are always welcome to come visit Max and me in Raleigh - he definitely prefers Tennessee (hehe), and he misses Christoo - he told me so! Take care!

With love, Laura

I WANTED TO THANK YOU FOR MAKING MY STAY HERE IN NASHVILLE THIS PAST YEAR TRULY ENJOYABLE. YOUR EVERYDAY JOY AND ENTHUSIASM FOR LIFE IS EXTREMELY CONTAGIOUS AND HAS BROUGHT A SMILE TO BOTH HERCULES & MYSELF. UNFORTUNATELY, I WILL BE LEAVING MID-JUNE WHEN THE LEASE WILL EXPIRE. THANK YOU FOR EVERYTHING!

Deborah, CJ, and Chris,

I have enjoyed living at 20 and Grand so much. Although I have loved the convenient location and the nice apartment, the best thing about this place is y'all.

The three of you have been wonderful! CJ and Chris, you know that I am amazed that you can fix anything—including my bad days! Your smiles always make my day brighter. Deborah, I have appreciated your sweet treats and our conversations. Your positive words calmed my nerves during some stressful times.

Thanks for everything over the past two years. In years to come when I think back to college, I will always remember my home at 20 and Grand! Love, Sarah

Thank you all so much for making twenty and Grand such a great place to live! It's been so nice to come home and be greeted by a big smile after a long day at school or work. I have so appreciated our conversations and passing waves throughout the day.

Deborah, thank you so much for always making our days brighter with cookies, smiles, and -of course- compliments about our outfits! You make this building so welcoming and a great place to come home to.

Chris and CJ, I have no idea how many times we've broken something, but y'all always find a way to fix it. Thank you for always being

so reliable. Your hard work really shows in this building, and it definitely hasn't gone unnoticed! Thanks so much for always being people we could count on.

You guys have made Sarah's and my last two years here so great. Thank you so much for everything you do - we really, really appreciate it!

Dear Deborah,

I want to tell you how lovely it was to meet you when my husband & I visited last week. We just know Grand will be very content in unit at 20/Grand. We feel lucky to have him squared away in such a convenient & terrific building. And, I can tell, Deborah, you make the whole place sing! Take care & see you in August! Allii...
