

**CONVENTIONAL
RESIDENT QUALIFYING CRITERIA
EFFECTIVE 7.22.17**

We are delighted that you are interested in leasing at our apartment community. In order to help you in making your decision, we have listed below the criteria for qualifying as a resident with us.

OCCUPANCY: All persons 18 or older must: A) complete an application, and B) sign the lease- unless approved as a permitted adult occupant. Married couples should complete one application. Emancipated minors must show written legal proof of status.

All persons residing in the apartment must be listed on the TAA Rental Application. There are a maximum number of occupants for adult status in each floor plan that cannot be exceeded at any time during your residency.

<u>UNIT TYPE</u>	<u>OCCUPANCY LIMITS</u> <u>ADULT STATUS</u>	<u>FAMILIAL STATUS*</u>
One Bedroom	2	2
Two Bedroom	3	4
Three Bedroom	4	6

* Newborns don't count towards occupancy limit until they reach the age of 24 months.

PERMITTED ADULT OCCUPANT: We generally require that all persons 18 or older residing in an apartment meet our rental criteria and be a lease signer on the lease. However, we recognize that in some situations, it may be appropriate to approve an adult as a permitted occupant only. Consequently, adult permitted occupants will be approved in the following situations, provided those applicants for occupancy meet our criteria for rental history (if applicable) and criminal history:

- A spouse, who does not work outside the home, provided the working spouse' income satisfies the income requirements specified in this criterion.
- A member of resident's household who is over the age of 65 and does not have a regular source of income such as pension or Social Security benefits.
- A member of the resident's household who is unable to work due to a total and permanent disability.
- An adult child who is a member of the resident's household and is unable to work due to a developmental or other disability.
- A live-in aide, who is permitted by way of a reasonable accommodation request, due to disability. *Live-in aid is required to pass a criminal background check (rental and employment verifications are not necessary).
- An adult child between the ages of 18 and 26 who is a full-time student at a high school, college, university, junior college, technical school or other institution of higher learning.
- Persons that will occupy a unit leased by a pre-approved corporation.

INCOME: Income must be verified by one of the following options: 1) 4 most recent, consecutive check stubs, 2) Employment Verification form completed by employer, or 3) Statement of income from a third-party such as Social Security, retirement account service, etc. Self-employed applicants must provide their 2 most recent personal bank account statements and one of the following: 1) Two most recent tax returns, or IRS transcripts, 2) If tax returns have not been filed, or if applicant has been self-employed less than two years, the applicant may provide an estimated Profit and Loss Statement from their accountant or attorney. Income must be verifiable and effective on or before the proposed move-in date. Total monthly gross income of all applicants must be (3) times the monthly market rent.

RENTAL HISTORY: We will review the most recent 12 months of rental history. Rental history must be verifiable, family/friends, or landlords without a valid business address or contact information are not acceptable sources of verification. Verified rental history will determine additional deposit requirements or denial. Reasons for additional deposit or denial include: Failure to pay rent timely over the prior 12 months: a) 4-6 late payments results in double deposit required; or b) 7+ late payments will result in denial of application. Applicants will also be denied if prior management reports 4 or more disturbances, eviction, unpaid balance due (rent, damages, etc), drug dealing/use/manufacturing, violence to persons or animals, damage to property,

gambling, prostitution, or reports that applicant is not eligible for re-occupancy. Applicants with less than 12 months verifiable rental history will be accepted with an additional double deposit/an additional deposit of one month's rent.

GUARANTOR: If the applicants are first-time renters or do not have sufficient income they may qualify by having a lease contract guarantor. The guarantor must have a gross monthly income of at least (5) times the monthly market rent and must meet all other qualifying criteria. The guarantor must complete and sign a lease contract guaranty. The lease may be guaranteed only by a relative. Guarantors may be held responsible for the entire rent and other costs, such as damages, as long as you live at this property, even if you have roommates.

CREDIT HISTORY: Credit history for each applicant is screened through a third party service for approval recommendation. The recommendation is determined by analyzing credit over the prior (2) years for timely payment history, age of open accounts, types of open accounts, amount of credit inquiries, as well as percentage of open credit available. Depending on the results of this analysis, an applicant may be required to pay an additional deposit or the application may be denied.

Factors that can result in an automatic denial include:

- False Social Security Number
- Eviction Judgment
- Unpaid Housing Debt
- FACTA Fraud Alert
- Open Bankruptcy

Applicant must have a check verification code of "accepted" as provided by "Telecheck" in order to enjoy the privilege of paying rent and other charges with a personal check. If the applicant fails to meet this requirement, but is otherwise approved for residency, they will be required to pay by cashier's check or by electronic means available at this property.

In accordance with the Fair and Accurate Credit Transaction Act of 2003 (FACTA), all applicants must provide a government issued ID during the application process. Identification provided must match information provided in the rental application. If applicant has a "fraud alert" noted on their credit report the application will be denied until identity can be confirmed by our screening contractor using the contact method provided on the credit report.

CRIMINAL HISTORY: A criminal background report for each applicant is screened through a third party service for approval recommendation. Criminal history which indicates that an applicant's tenancy would constitute a direct threat to the health or safety of other individuals or whose tenancy could result in substantial physical damage to the property of owner or others will result in rejection of the application.

1. **Recommend Denial** for felony or misdemeanor offenses, regardless of the date of conviction or other adjudication of the offense for: murder, assault, sexual offenses (including sex offenders subject to a lifetime registration requirement) or other crimes against persons or animals.
2. **Recommend Approval** for felony offenses, involving theft of property, damage to property, illegal manufacture or distribution of a controlled substance and weapons if occurred prior to **(10) years from the completion of the sentence.**
3. **Recommended Approval** for misdemeanor offenses involving theft of property, damage to property, illegal drug violation (sale or manufacture), prostitution or weapons if occurred prior to **(7) years from the completion of the sentence.**

Applicants who are denied may submit, within fourteen (14) days of the denial, verifiable evidence of mitigating factors for additional assessment including (by way of example, with no single factor being determinative): the facts or circumstances surrounding the criminal conduct; the age of the individual at the time of the conduct; evidence that the individual has maintained a good tenant history before and/or after the conviction or conduct; evidence of rehabilitation efforts and/or any other factors related to whether a specific person poses any threat to safety.
