A New Way to Pay Your Rent

You've always been able to pay your Rent and EAS by check or money order, and you've been able to pay online by using your checking account as well, but you can now pay online with a credit card too!

During the resident survey, this was a feature that many of you were asking for, and we heard what you were saying! You can now pay online at our website with a credit card, but please be aware that there is a \$25 convenience fee that is automatically charged to your payment amount.

As before, you have until the 5th of each month to pay by Check or Money Order, but when using any of the online payment features, you must submit your payments by the 1st of each month or it will be considered late.

FYI—Numbers to Know

- Maintenance (614) 267-7600
- Management (614) 267-7831
- Tanning/Fitness (614) 267-7833
- Leasing (614) 261-1211

Tip of the month:

How can you tell if a melon is ripe and ready to eat?

Cantaloupes and Honeydews have a sweet smell, which lets you know that they are ripe. You can also make a list as if you are knocking on a door, and tap the melon a few times. If the sound is a deeper thud sound, the melon is good to go!

When checking Watermelons, make flatten your hand and tap it a few times. Again, if the sounds is a deeper thud, the melon is ripe!

Summer Safety Information

Nice weather has finally arrived, which means many of you will be opening your apartment windows to let the fresh summer air in. We wanted to send out a reminder that whenever you leave your apartment, be sure to close and lock your windows to help lower the risk of an apartment break-in. It's the little things that count, and taking this small precaution can make all the difference.

It's Time for a LUAU, UV Style!!!

Aloha UV Residents! June 11 is the date for this year's luau. This event will be held back by the UV pool from 5 to 8 p.m., and is sure to be a good time! We will have FREE beer and food, some great music thanks to DJ Sam and all the fun you could ask for!

The UV luau is a great way to end finals week, kick off the summer, and makes for a great start for those of you going on your senior bar crawl!

Speaking of Senior Bar Crawl, the UV Shuttle Service will be running to campus at 8 p.m., so you can hop on the bus right after the UV luau! This is an even better reason to start your crawl from UV. Just remember, we can give you a ride there, but you'll have to find your own way back.

As with all of our happy hours, this will be an 18 and over event.

GET READY FOR SUMMER

Summertime Means Pool Time!

All summer long the UV pool will be open to swim seven days a week from 10 a.m. to 9 p.m., pending weather conditions of course. If you're looking to relax and work on that summer tan, cool off a bit, or swim a few laps for exercise, the UV pool is calling your name!

Happy Hour Reminder

This summer the happy hours will take place on the 1st and 3rd Thursdays. The dates of the Happy Hours are: June 18, July 2, July 16 and Aug. 6. Each one will be bigger and better than your typical happy hour, but we need your help in making them the best we've ever had, so mark your calendars and bring a friend or two, and help us make this a summer to remember here at UV!

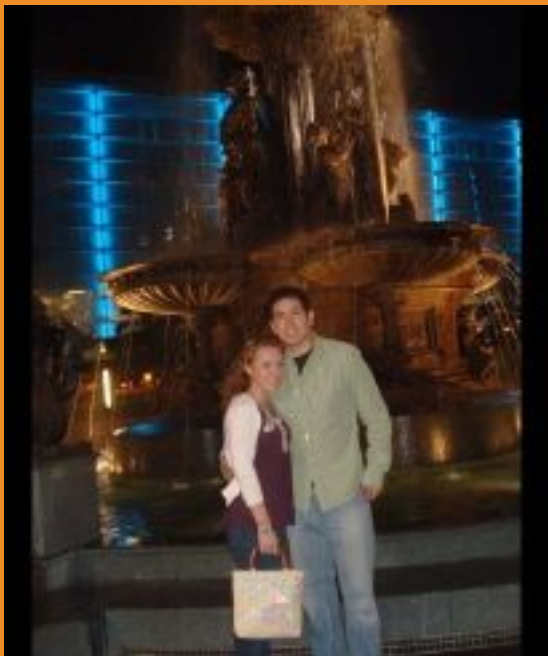

June 18 ... Margarita Night!!!

This happy hour is going to be a Margarita Night Special! Free margaritas (and beer of course!) from 5 to 7 p.m. at The Belly Up Bar will make for a great evening. As with all happy hours, this is an 18 and over event.

Say Hello to June's Resident of the Month!

Samantha and Victor on a night in Cincinnati.

This month's "Resident of the Month" is a first year UV resident named Samantha Hartz! She is a sophomore at OSU, who transferred in from Miami University. She has really enjoyed this past year being at both UV and OSU, and enjoys the people and the atmosphere this area provides.

Samantha is studying Fine Arts, such as drawing and painting, and is looking to apply her skills in the field of Interior Design. She is hoping to get an internship this summer to help develop her design skills, which would make for a great start to a career in Interior Design.

Here at UV, Samantha has enjoyed the tailgates and activity center, but is really looking forward to spending some of those hot summer days out at the pool! She will also be traveling to England with her family to visit her uncle who is currently stationed there.

If you see Samantha around campus or here at the UV pool, be sure to congratulate her on being selected as this month's Resident of The Month ... and who knows, you could be the ROTM in July!
