LEDIC Employee Honored as HCCP of the Year

LEDIC Executive Manager, Christine Petty, was awarded the HCCP of the Year Award given by The National Association of Home Builders. Christine was recognized at the NAHB Achievement Reception on January 11th, 2011 in Orlando, FL.

Christine was chosen for this award based on her excelling contributions to the LIHTC Program. Christine understands the value of education in the program and of the HCCP designation. Christine has and continues to do an excellent job serving as our ambassador to new employees on the LIHTC properties. Her ability to accurately and succinctly explain tax credit requirements from the management prospective to Owners, Partners, Residents and fellow employees makes her a valuable addition to our company and the tax credit world. In addition, she is always willing to help others and share her knowledge of housing tax credits.

Christine truly deserved the award. She has proven her dedication to the program. Her combination of knowledge and her ability to share that with others has made her a huge asset not only to LEDIC but to the Tax Credit Program itself.

ABOUT LEDIC Management Group

Founded in 1979, LEDIC Management Group (“LEDIC”) is a third party, real estate management firm specializing in the operation of multifamily housing communities across the United States. From its corporate headquarters in Memphis, TN and with the support of its regional offices and over 600 employees, LEDIC currently manages over 25,000 apartment units in 20 states. The Company has been ranked by National Multi Housing Council (NMHC) as one of its “Top 50” largest management companies in the United States each year for the last 15 years. LEDIC is an Accredited Management Organization (AMO), as accredited by the Institute of Real Estate Management (IREM), and has earned an “A+” rating by the Better Business Bureau (BBB), the BBB’s highest rating possible.
