The Carling Receives Top Rated Award from ApartmentRatings.com

Jacksonville, FL – The Vestcor Companies is proud to announce that The Carling received a Top Rated award from ApartmentRatings.com for 2012. According to ApartmentRatings.com, “These new annual awards recognize properties with outstanding resident satisfaction ratings as measured on ApartmentRatings.com. Only approximately 5% of the properties listed on ApartmentRatings.com qualify for award consideration, making winning a Top Rated award an exclusive and admirable accomplishment.”

Janet Haak, the property manager at The Carling and 11 East Forsyth, remarked, “In the 15 years I have been in the industry, I have not had a team or property receive this high rating from ApartmentRatings.com. We have the decal proudly displayed at the front entrance of the building. Getting this today truly made my day and I was so excited to share it with the staff as well!”

The Carling is the rebirth of the historic Roosevelt Hotel, originally built in 1926. The Vestcor Companies has painstakingly restored and renovated many of the fascinating original architectural features of this downtown Jacksonville landmark, including the marble staircase, terrazzo floors, and the grand Palladian windows.

The Carling is situated in a premier downtown location and this historical building now includes 100 units and 10,000 square feet of commercial space.
