**Vestcor Welcomes New Team Members
Lauren Tomlinson & Alex Allison**

JACKSONVILLE, FL – Vestcor announces the hiring of Lauren Tomlinson and Alex Allison. Lauren joins Vestcor as an Administrative Assistant primarily working with the Vestcor Communities and Vestcor Development teams. Alex joins Vestcor as Asset Manager where he will oversee the market rate and student housing portfolios.

Lauren previously worked as a Receptionist and Administrative Assistant at Jacksonville Orthopedic Institute and The Stellar Group. She brings her fifteen years of administrative experience to Vestcor. Lauren will work under William Morgan to assist with student housing developments, particularly the Residence Hall at Florida Polytechnic. She will also assist Stephen Frick with the upcoming development of affordable multifamily rental communities.

After graduating from Armstrong Atlantic State University in 2013, Alex worked in the marketing field as Marketing Researcher and later Marketing Manager for Wet Willie's Management Corporation in Savannah. Alex majored in Economics with a minor in Business and has a background in real estate, leasing and property management. Alex will be working in the asset management division, specifically with the student and market rate portfolio with communities located in North Carolina, Georgia, and Florida.
