**THE VESTCOR COMPANIES TO HOST
VESTCOR 5K BRIDGES RUN TO BENEFIT LOCAL CHARITIES**

JACKSONVILLE, FL –The Vestcor Companies will host its 15th annual Vestcor 5K Bridges Run through downtown Jacksonville on Saturday, July 31 at 7:30 p.m. in Hemming Plaza. This year’s run/walk will take on a different look with a new race route that will allow participants to explore downtown Jacksonville. Participants will start/end at Hemming Plaza, pass by The Carling and 11 East Forsyth and head over the Main Street Bridge and the Acosta Bridge before heading back.

At the conclusion of the race, runners can enjoy activities hosted by The Vestcor Companies, including awards, giveaways, live music, drinks and much more.

Net proceeds from this year’s event will benefit the Museum of Contemporary Art Jacksonville (MOCA), a private nonprofit visual arts educational institution and cultural resource of the University of North Florida, as well as other local nonprofits. Charities receiving funds last year included Shands Hospital, North Florida School and many other worthwhile local organizations.

“I’m extremely pleased to announce that this year’s Vestcor 5K Bridges Run will once again be held in downtown Jacksonville,” said John D. Rood, chairman of The Vestcor Companies. “The event not only benefits MOCA and other local charities, it also highlights our great city. I encourage community members to participate.”

To make a donation or to sponsor the race, please contact Dara Burke at (904) 288-7755 or via email at burke@vestcor.com.

For race information, please contact First Place Sports at (904) 731-3676 or visit www.1stplacesports.com.
