VESTCOR CELEBRATES GRAND OPENING OF KATIE MANOR APARTMENTS

CRESTVIEW, FLORIDA – August 30, 2016 – The Vestcor Companies is proud to announce the completion of Katie Manor Apartments, a 102-unit affordable senior housing community in Crestview.

Crestview Mayor Cadle, city council members, chamber members and local business owners attended the ribbon cutting on Tuesday to welcome Katie Manor to the city of Crestview. Florida Housing and Finance Corporation Executive Director Steve Auger spoke about the importance of affordable housing, particularly for seniors, and praised Crestview officials for partnering with Vestcor to develop this beautiful complex.

Located at 639 Brookmeade Drive, the community provides quality, affordable housing for seniors 55 and older making less than \$30,000 per year; ten percent of the units are reserved for seniors who make less than \$16,000 per year.

The community was financed by a combination of Wells Fargo construction loan, funding from the Department of Economic Opportunity and the Low Income Housing Tax Credits administered by Florida Housing Finance Corporation.

The available floor plans include: a one-bedroom, one-bath plan covering 611 square feet and a two-bedroom, two-bath plan covering 895 square feet. Apartments come standard with a living and dining area, fully equipped kitchen, walk-in closets and washer and dryer.

Amenities featured in Katie Manor include an activity room, hair salon, game room, computer room, fitness center, movie room, library, outdoor garden, dog park area and swimming pool.

Vestcor partnered with Wells Fargo, Seaside Engineering, PQH Architects, Inc. and Summit Contracting Group, Inc. to complete the community.
